HIGH SCHOOL
FALLS CHURCH, VIRGINIA

Expansion at F.C.H.S.

First Since 1955

Falls Church High School

To the students of Falls Church High School:

Memories of school bring to mind many things: the first day of school, a favorite class, a special teacher, the completion of the new classrooms, the cheers when the team won, and the unique feeling on the day report cards came out.

The underclassmen may not have given too much thought to these things yet, but the seniors know only too well what they must leave behind. For us there will be no more cut cards, government, or senior privileges. Most of all, as we walk down the aisle of Constitution Hall, we will realize that we will never again walk together as a class.

I hope the JAGUAR will accomplish the difficult task of keeping alive the memories of this school year for each of you. Whenever you open this book, I hope it will be as if you were back at school again, listening to all the familiar sounds that made this school year so memorable.

On behalf of Miss Maupin, the staff, and myself, I am proud to present to you our yearbook, the '63 JAGUAR.

Sincerely,

Mical Miller

Mical Miller,

Dedication

At Falls Church High School we are fortunate in having a teacher who has achieved the difficult task of being both an exceptional instructor and a wonderful friend.

All who know her have realized what a truly outstanding teacher she is. She possesses a warm concern for the *person*, and not just the student. Her kind encouragement and happy outlook on life have left us all better people. For this we respect and admire her.

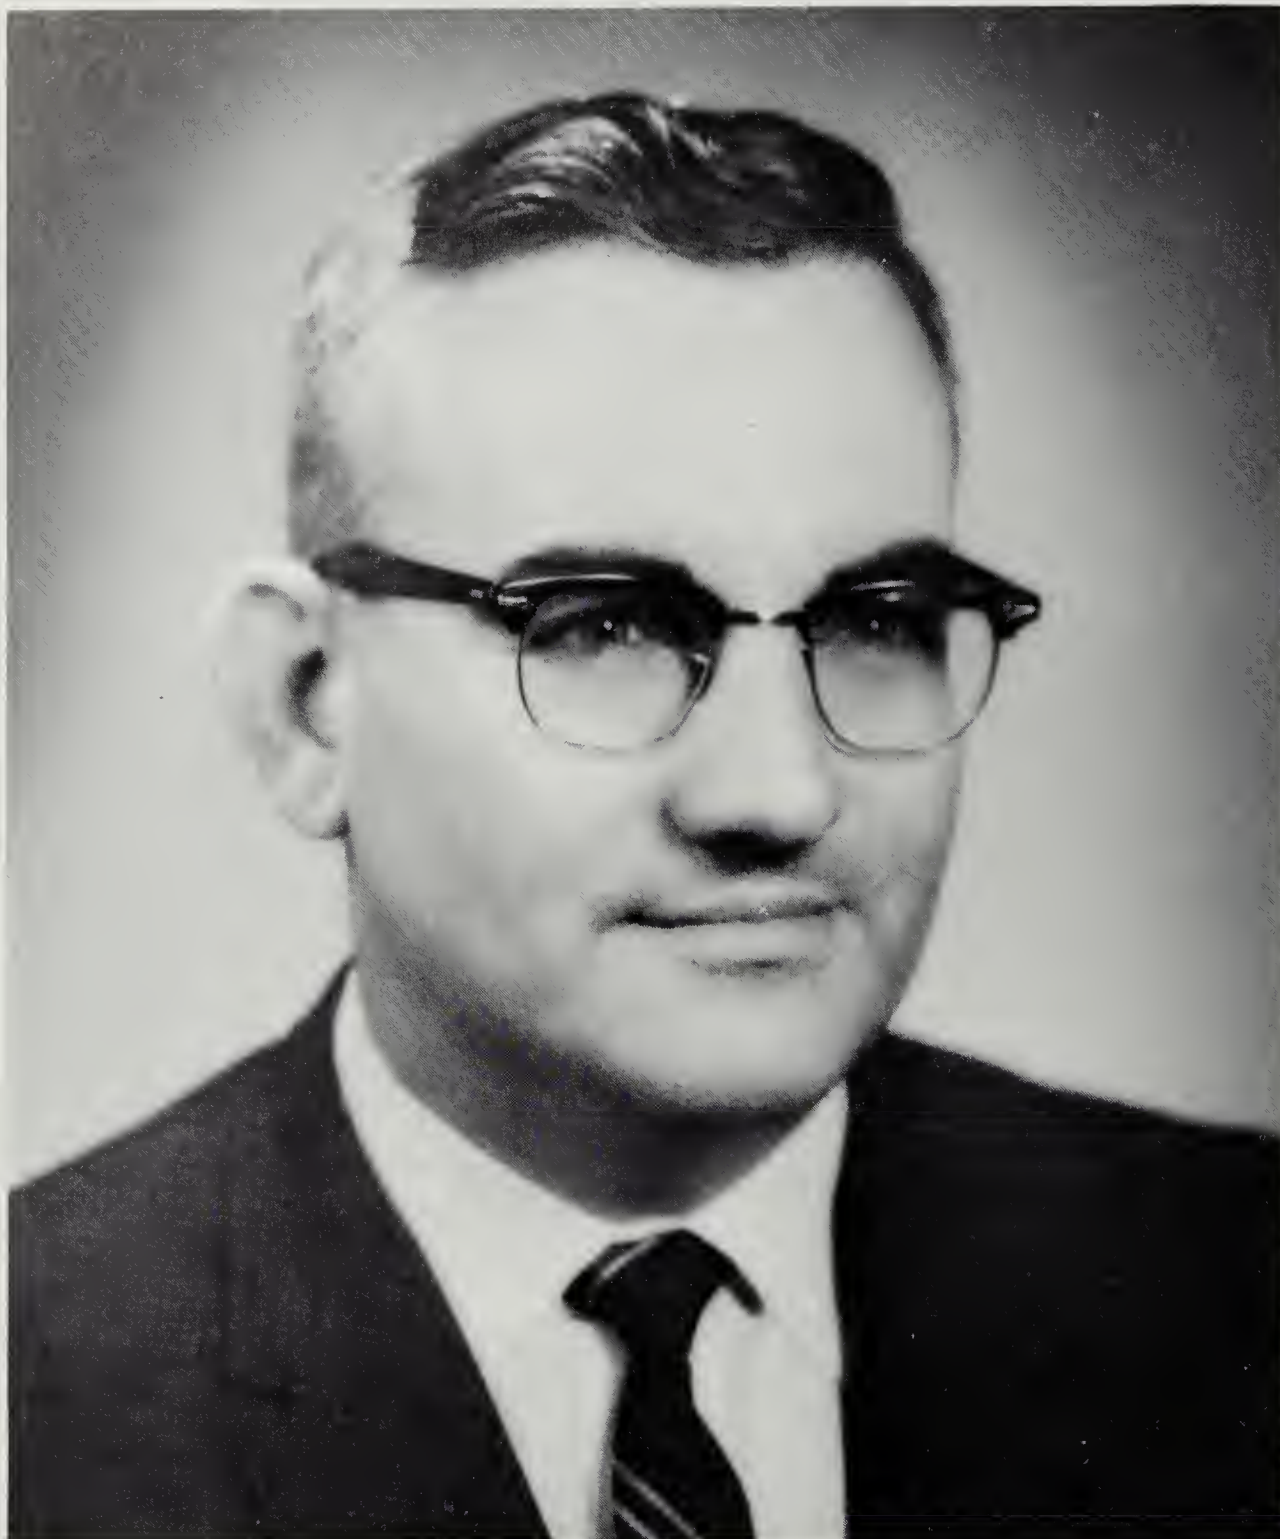

In recognition of her inspiration and encouragement, we dedicate the 1963 JAGUAR to Mrs. Yvonne C. Fidalgo, our friend and teacher.

ADMINISTRATION

Together they stand
to instill a firm
knowledge . . .

WILLIAM H. JORDAN
Principal

To the Graduating Class of 1963:

You are about to reach a goal for which you have been working twelve years. I trust that these years have been valuable to you, and that the knowledge you have attained will serve you well throughout all the years that lie ahead. During these years, your teachers have been working with you to build your educational foundation, and you will continue this educational process throughout your lives.

I am glad that so many of you are planning to continue your formal education in some manner, because I think that this will better equip you to make the most of your lives. Regardless of what your plans may be, however, if they are worth while, and if you are willing to work to attain your goals, I feel that each of you can be successful in this age of so many opportunities. You will find that your success in life will depend, to a large measure, as it has in school, on the amount of work that you are willing to do.

Your teachers and I have enjoyed working with you during your high school years, and we all wish you the best of everything as you take your next step in life.

Let us know if we can be of help to you at any time, and come back to see us.

Sincerely yours,

William H. Jordan

In Memoriam

LEWIS GOLDFEIN

Lewis Goldfein was a kind and gentle young man, and at the same time an able and dependable leader. His intelligence, industry, and humor made him a well-rounded individual, yet he was always modest and sincere. Lewis showed the promise of becoming a fine man and of having a successful career, yet that promise is never to be fulfilled.

Although his years were few in number, they gave enjoyment both to himself and to those who knew him. He contributed to and added to that which is life for us. The memory of such a friend can never be forgotten.

KENLEE WEST

In Memoriam

There are few of us here at Falls Church High School who were not touched by Kenlee West's infectious good humor. Students and teachers alike appreciated his friendly manner and quick wit in the library, the cafeteria, dramatics activities, *Pawprint* work, Madrigals, or in class. His concern for all and for what he could do to help us will always be remembered.

A fun-loving student, "Beeb" could always inject a spark of life into something we thought was dull. Though a great tease, he was not lacking in those qualities that mark a good student: Scholastic ability and conscientious determination. His ability in science was particularly well-known, having won for him a first prize in the 1962 Science Fair. Intelligent, friendly, and sincere was the "Beeb" we knew; this is the "Beeb" we will not forget.

The Falls Church High School Student Council Association is the representative body in the school. In fulfilling its objectives, the S.C.A. acts as a stimulant and administrator of various activities sponsored by the student body or an individual club or group. Early this year, a Student Handbook was published to aid new students. In October the annual magazine drive was run by the S.C.A. The goal was passed and \$2,000 was made which went for needed materials within the school. In addition, the S.C.A. has sponsored the annual Sweetheart Dance and various club activities such as the March of Dimes Drive, work at the Cerebral Palsy Center, and collecting for U.N.I.C.E.F. at Halloween.

The Monogram Club

The Monogram Club is composed of girls who have earned a varsity letter in athletics, or as a manager of a Varsity team. The purpose of the club is to aid the Physical Education Department in its program and projects, to further girls athletics, to promote good sportsmanship, and to promote close co-operation between the members of the club and the Physical Education Staff. The main idea for the Monogram Club is stated in the preamble to its constitution. Junior Civitan Club

The Junior Civitan Club's many projects this year have included promoting driving safety, aiding the mentally ill and physically handicapped, and stimulating school spirit. Keyette

Keyettes have ended the year '62-'63 with one of the best service records ever achieved by this club at Falls Church. Sue Hopkinson, as president, led the girls in many worthwhile community and school projects.

Their year began with UNICEF collections with the Key Club, a food and toy drive, and a rollicking "barbeque." The year also included other helpful projects: Cerebral Palsy and March of Dimes drives, and a healthy twelve mile hike!

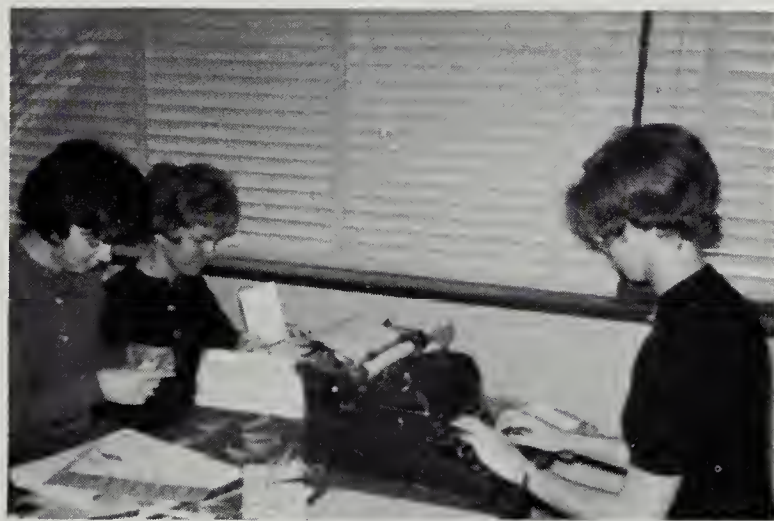

Finally, in March, the long-awaited convention was held at the Marriott Motor Hotel. The club returned with a First Honorable Mention in Achievement and their "splendid" chorus line brought Falls Church a First Place in talent.

The year has ended for the Senior Keyettes and has just begun for the Juniors and Sophomores, but will be long remembered by all.

Its chief community service project this year has been raising money for and working in the office of the local Cerebral Palsy Center. School activities have included co-sponsoring the Christmas Drive and decorating the gym for the Homecoming Dance with our sister club the Keyettes, and sponsoring the Jr.-Sr. Basketball game.

Club

The Pep Club is dedicated to promoting not only spirit at games but also unity within the school.

Our projects have included sponsoring Homecoming halftime, selling tickets, pom-poms, ribbons, programs, and raising money for the Athletic Department.

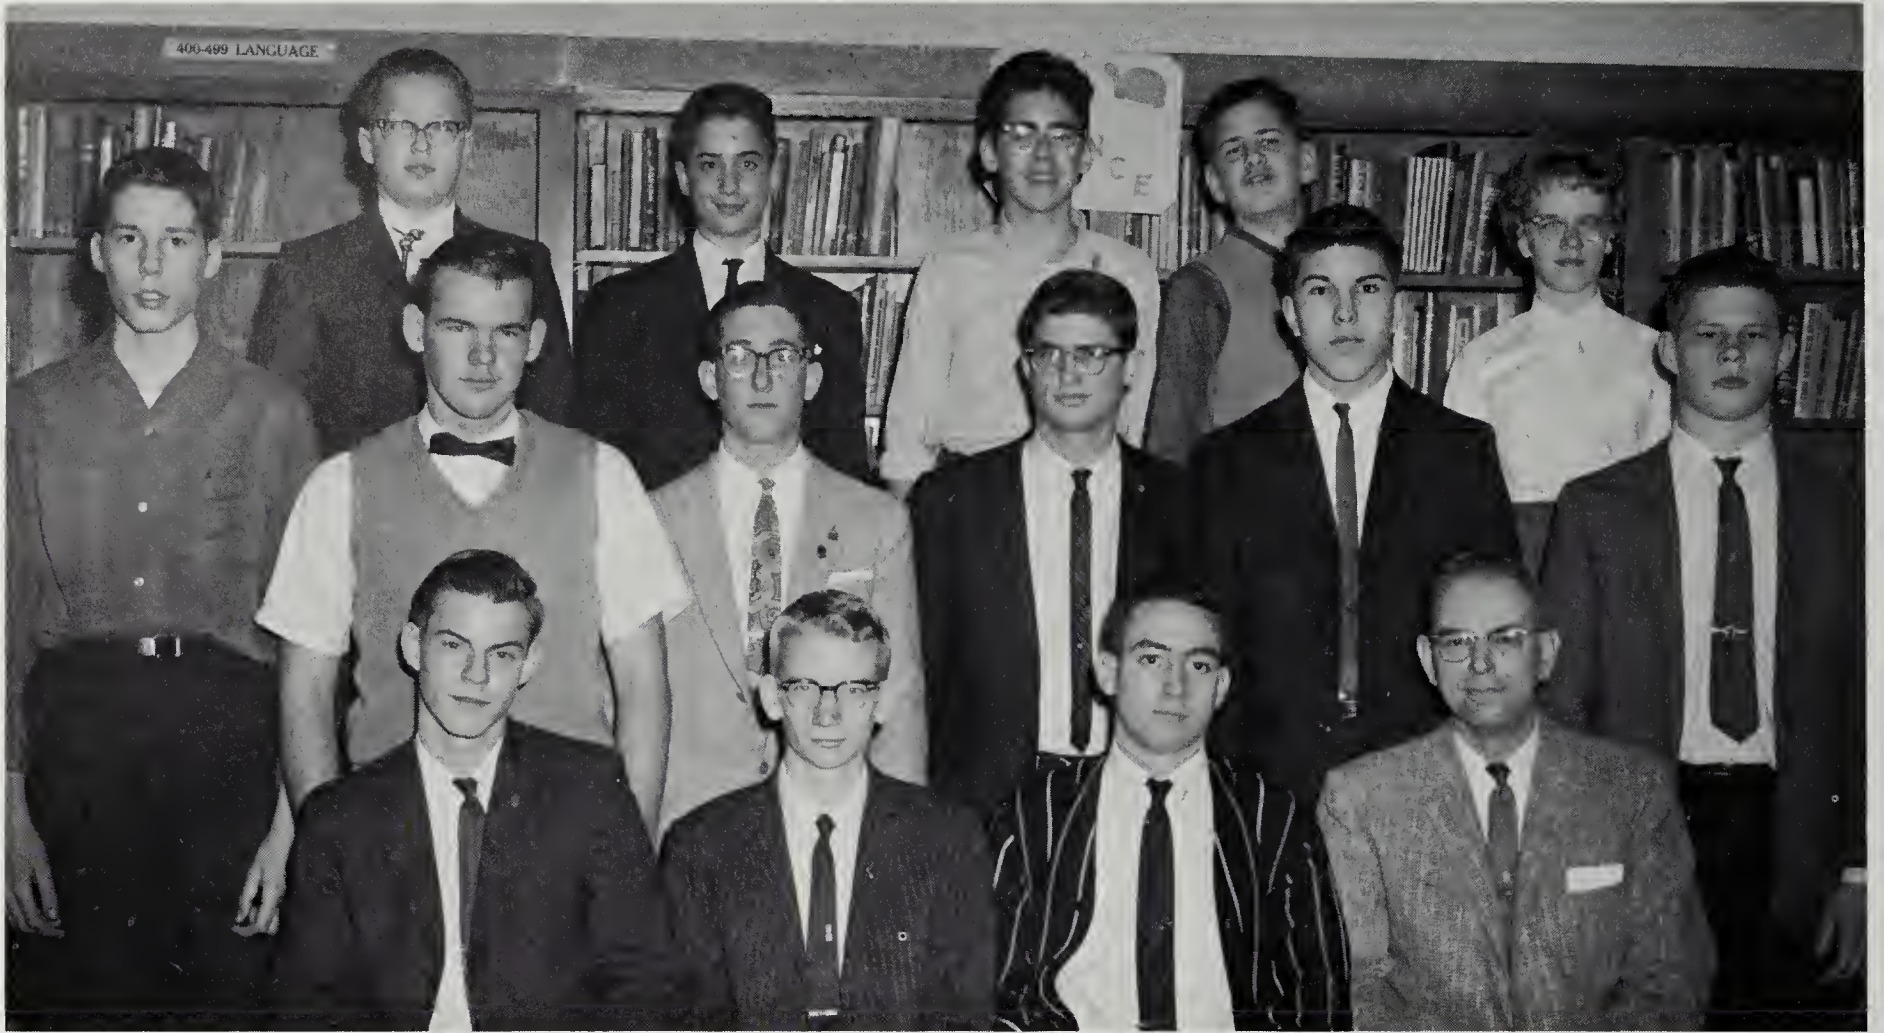

In the late spring a car wash and a bake sale was held to raise still more money.

We also helped pay for the attractive green blazers for the coaches.

The Pep Club has done an outstanding job of boosting school spirit this year, and as a result, record breaking crowds attended our football games.

The Madrigals started singing together last summer. We felt that summer meetings were very important to our relationship within the group. Our first concert was the Magazine Assembly and since then we have sung at many school and public functions. This winter we sang at WMAL-TV on "Woman's World" and we made a video-tape that was shown a few weeks later.

At the Senate Building we made a tape along with the Concert Choir that was played on the radio several times during Christmas. There was recording for the Harden & Weaver Show, caroling at Towers and Seven Corners, and of course, the annual Christmas Concert.

The week-end of March 29 was the District Festival at Groveton High School and we all returned with grades of which we could be proud. In April we performed at the Pan American Building and in May we had a Madrigal Concert at the School. Our last performance was, as it should be, singing at Graduation.

MARIA DO CARMO NEVES MOTTA

From Marilia, in the state of San Paulo, Brazil, Maria came to study at Falls Church High School and live with the family of Gloria Wood, a sophomore. At the time of her arrival, she knew only a nominal amount of English conversation, but she quickly learned and by January was giving speeches and participating in panel discussions all over Virginia. This fun-loving, energetic Keyette has taught us much about her native country. To Brazil she will return with many facts about U. S. life and culture, and a becoming bouffant hair-style.

Maria has been very active in school affairs this year and it is with sadness that we see her leave, for she has become one of us.

A.F.S. students in the area speak to F.C.H.S.

Maria demonstrates her talent in art class.

MICHAEL ARNOW

Mike Arnow returned from his summer in Japan filled with stories of his trip abroad. Mike, our 1962 A.F.S. student, lived in Kure City, Japan, with his "family", the Matsudas. Mike was made to feel right at home. In fact, he even spent one month studying at a Japanese school. Though he had just completed his American schooling, Mike reported that he thoroughly enjoyed his taste of education in Japan.

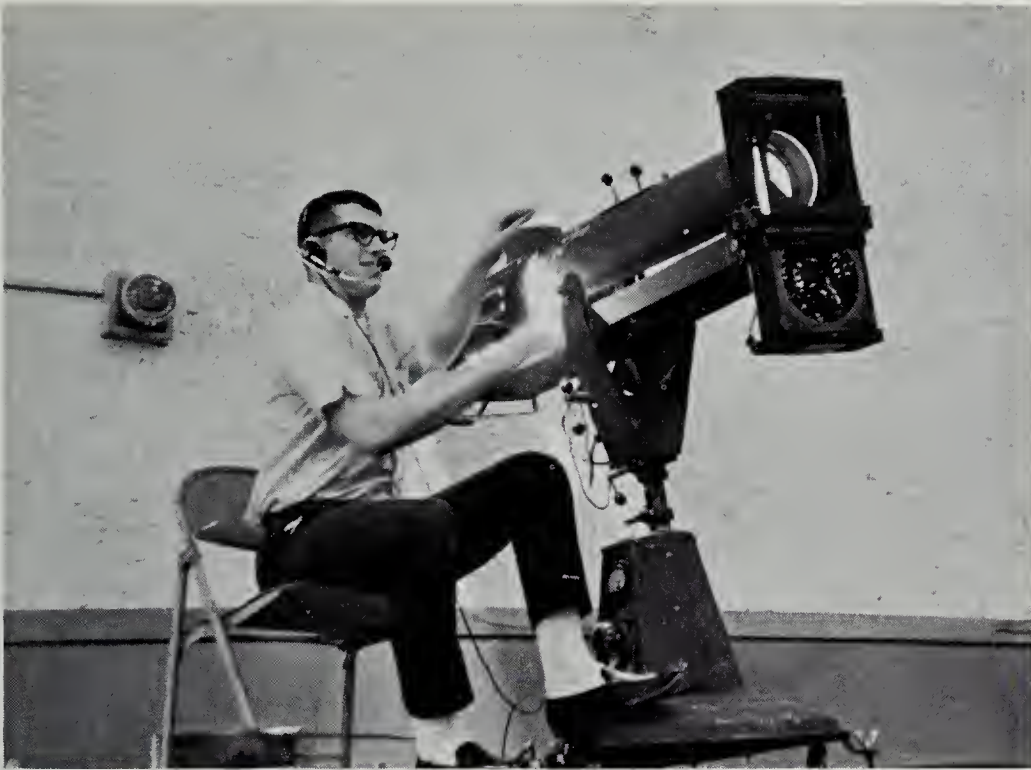

Mike's experiences as our exchange student widened his horizons and increased his knowledge and understanding of others.

Mike feels his summer abroad was most rewarding and enriching.

Mike and his Japanese family.

Bill and his Junior Spaceman Gun.

It only hurts when I laugh.
